**NSRI Golf Day 3<sup>rd</sup> January 2021**

**Dear Fellow Golfers,**

After considerable deliberations it is with much regret that we have decided that in everyone's best interest, we will be postponing our annual Golf Day.

The current dramatic raise in the number of Covid infections in the Garden Route (and in the Bitou district particularly) has heightened the need to be more vigilant. It would be irresponsible to proceed with what be a "mass gathering social event" in the current situation.

We have accordingly secured a new date for the event and will proceed with preparations, in the hope that the current crisis will have run its course, and it would be safe to hold our extremely well supported Golf Day. We can confirm that the new date will be **Sunday 4<sup>th</sup> April 2021**.

If you have indeed already paid your entry fees and wish to re-imbursed, may we kindly request that you contact Rodney Gray and provide him with the relevant banking details (083 378-9234). We will expedite payment as soon as possible. Alternatively, should you wish to carry over your payment to the new scheduled date, we are happy to do so.

As has been the case for many years, Rodney will be handling the booking sheets for the new date. Please feel free to contact him if you wish to participate and support our Station 14 Volunteers as you have so generously in the past.

We thank you for your understanding in this situation and look forward to have you join us in April!

For and on Behalf of NSRI Station 14
